“ My time is valuable and Reservations helps me be more efficient and effective. ”

– Mike Armel  
Boca Greens Country Club

## Seamless solutions, unparalleled support

There's more to your operation than tracking tee times. From marketing to merchandise, the driving range to the dining room, power your course's business with the most trusted, server-based technology platform available—Reservations by GolfNow.

### Features

#### Simplicity served up

Operate your restaurant and bar easily and effectively with table mapping, check splitting, touch-friendly interfaces, time-sensitive menus and many more awesome touches.

#### Superior golfer and member support

Advanced minimums, item discount categories and automated billing make Reservations a complete choice for public as well as private and semi-private courses.

#### The more you know

With more than 100 report options and full support for the latest version of QuickBooks Online\*, you can manage the success and growth of your business.

#### Tools to grow with

Reservations grows your database with targeted sales messages, gift card and membership sales and more. All while managing revenue and updating inventory instantly.

### Find your solution

Reservations is only one of the many business solutions we offer course partners.
