## Integrated functionality, satisfied customers

Ideal for resorts and multi-course operations, OpenCourse is a complete technology solution for your business. From the spa to the first tee and all points in between, OpenCourse helps you deliver exceptional customer experience and efficiency.

### Features

#### Plays well with others

OpenCourse integrates seamlessly with MICROSTM, Symphony, OPERA PMS, or Agilysys, connecting you with your customers and every facet of your business.

#### Intelligent inventory

Member billing, customer spending and much more are all part of the suite, providing everything you could need for customer management.

#### Appointments made easy

The Open Web feature integrates accurate, up-to-date availability for appointments, putting the power to schedule in your customers' hands while freeing up time for your staff.

#### Complete control

Keep your hands on the wheel of multiple tee sheets or courses from anywhere—even when you're offsite.
